Description:

ABILITY PT The Ability PT conversion offers all the accessibility without all the added cost. We start with a Ford Passenger van and add Stainless Steel raised side doors giving consumers 56 of clear passage through the side door. Then we add a sleek raised roof with a certified roll cage offering plenty of interior height. Also included is a remounted rear factory bench seat over head air conditioning center section wheelchair flooring and tie-down tracks. A Braun Millennium lift is added finished off with automatic door struts which automatically keep the doors out of your way during lift operation. You wont find a better price for this vehicle anywhere.
