Manufactured Product Lines — Consumer Limited Warranty

Fenton Mobility warranties all products manufactured by Fenton Mobility Products, to the original purchaser (non-transferrable), to be free of all defects in material and workmanship for a period of three years (unlimited miles) from the date that the vehicle (in which the Fenton Mobility products were originally installed) is placed into service (written in service date verification will be required). Any defect affecting safe operation and intended function will be repaired, replaced, or refunded (at the discretion of Fenton Mobility) free of charge. If the failure or malfunction of a warranted item leads to a subsequent failure or defect of a non-warranted item, then both items shall be covered, provided Fenton Mobility was immediately notified of failure (refer to buyer/user responsibility below). All warranty work must be performed at a facility that has been approved and/or certified by Fenton Mobility to perform such work. All arrangements for warranty service must be approved prior to and made through Fenton Mobility by contacting Fenton Mobility Products. Warranty covers only failures which occur through normal use of the manufactured products and does not apply to failures incurred through misuse, abuse, neglect, alterations, or accidents. Any damage incurred through normal wear and tear which does not affect the intended function and/or safe operation is not covered. This manufactured product warranty covers only direct material (does not cover labor cost) to repair or replace warranted items and is not responsible for any incidental costs such as transport, lost service, or lost time.

To file a manufactured product warranty claim or obtain warranty service, contact Fenton Mobility Products by going to FentonMobility.com and locating your nearest Fenton Mobility Dealer. It is the responsibility of the buyer/user to contact Fenton Mobility immediately upon the discovery of any covered defect or malfunction. Fenton Mobility is not liable for further damages incurred or compounded by delays in filing warranty claim(s).

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.
